To Whom It May Concern,

AUTHORISATION TO FUNDRAISE: #SIUXXX

Valid on/from: August – August 2017

Thank you for supporting Shake It Up Australia Foundation and in doing so making a valuable contribution to help fund research into better treatments and ultimately a cure for Parkinson's disease. Due to our Founding Director's commitments to cover all administrative costs of the foundation, 100% of the funds you raise will find it into the hands of a researcher.

We understand that Dale Rollerson will be raising funds for research to Shake It Up Australia Foundation.

It is a requirement by law that a person or organisation conducting or participating in a fundraising event on behalf of a charity must be authorised in writing to do so by that charity.

This letter is an official Authorisation to Fundraise for Shake It Up Australia and recognises that you understand and agree to the fundraising event terms and conditions of the Foundation. The Fundraiser must also abide by all relevant State legislation for fundraising and apply for any permits and authorities that may be required. Different states have their own legislation, which should be checked beforehand by the fundraiser.

This authorisation entitles you to acknowledge that funds raised will be donated to Shake It Up Australia Foundation. We wish you all the best with your fundraising event and thank you for your support of Shake It Up Australia.

Warm wishes,

Melanie Smith
Event Manager

Funding Research To Find The Cure For Parkinson's
