

ATC Display Make 5 Take 5

**Australasian Quilt Convention
February 22nd – 25th 2007**

The Thread Studio, in conjunction with **Expertise Events**, is hosting an **Artists Trading Card Challenge**

You make up to 5 Artist Trading Cards. You can create them with any materials (fabric, paper, metal, fibre etc) and embellish them in any way you like, so long as they measure no more than size 64mm x 90mm (2½" x 3½"). The cards can be different from each other, or follow a theme, or whatever you wish. On the back, sign and date each card and add your email address or phone number.

Mail your card(s) to **The Thread Studio**, allowing enough time for us to receive them by Friday Feb. 10th **at the very latest**. If you are unable to attend the show, include a stamped addressed envelope.

Australasian Quilt Convention

Come to the show and visit the wonderful Artist Trading Card display which will also include a **Celebrity Textile Artists Display**, featuring many of the textile artists whose work you love to see.

At certain trading times each day, you will be able to collect the number of ATCs which you have sent in to The Thread Studio. If you send in 1, you can pick 1; if you send in 5; you can pick 5. At the end of the show, if you sent a stamped addressed envelope, we will send you any of the unclaimed ATCs.

We look forward to seeing your wonderful work, so get creating now and send your ATCs to:
